

# unlock the door to increased profitability

The on-line ETSOS Quotation and Referral system allows you to capture more conveyancing referrals and make more profit. What's more the system is **TOTALLY FREE**.

[www.etsos.co.uk](http://www.etsos.co.uk)

**ETSOS**  
the complete property solution

**The on-line Quotation and Referral system has been built with cutting edge technology and the belief it will become an invaluable tool for Estate Agents.**

- **TOTALLY FREE**
- **You take control of the conveyancing process by choosing which solicitors you refer cases to**
- **Ease of use - generate and instruct conveyancing quotes within seconds**
- **Transparent quotes itemising the cost of each transaction**
- **24/7 on-line case tracking for all parties**
- **ipad, iphone and android applications available**
- **Integrated with ordering of EPC's, floor plans, AML, signboards & audio tours**

### **What Estate Agents think of our product:**

“ETSOS quote and referral system is helping us increase our revenue whilst cutting admin time, ultimately it is making us more profitable! It is easy to use, captures more conveyancing work and integrates with a useful product order system. But best of all it is totally **FREE!**”

*David Robinson, Partner, Cumbrian Properties*
